

# **SPECIAL CEREMONY INTRODUCING THE MARYLAND MILITARY COALITION**

**November 9, 2018 at 12:00 Noon  
Memorial Hall, War Memorial Building  
101 N. Gay Street, Baltimore**

Veterans and military members can accomplish more in the Maryland General Assembly when the military community comes together as one powerful voice. That's the reason for establishment of the Maryland Military Coalition (MMC), now preparing for its role in 2019.

The MMC will work hard to project a clear, united message to Maryland lawmakers. With about 460,000 military-connected people in the State, the need to "speak with one voice" is very clear.

As of November 4, 2018, 13 Charter military, veteran, and uniformed services organizations have joined the MMC, with one core purpose: to protect, defend, and improve benefits earned in military service to our great nation.

The MMC will educate the Maryland Legislature and other elements of State Government about the need to improve the health care, benefits, and quality of life programs of the uniformed services community -- including family members.

Registered in the State of Maryland, the Maryland Military Coalition operates as a "Social Welfare Organization" under the Internal Revenue Service (IRS) Code. Classified as a 501(c) 4 tax-exempt entity, it is headquartered in Largo, Maryland.

Members of the Maryland Military Coalition, veterans and military members, members of the Maryland General Assembly, and the general public are invited to attend this special event.
