September 2014

President's Corner

Welcome, I hope everyone had an enjoyable summer and are now ready to reconvene our Chapter for the forthcoming term. I will make this newsletter a bit briefer than previous ones as there is not much to pass on to you at this time.

As we begin September our first order of events is the annual State MOAA Congressional Luncheon which will be held in Cannon Office Building on 11 September. Three of our members have signed up for the luncheon and will be able to provide our Chapter with their perspective of what our state representatives are working on to support active duty, retired, dependents and other military veterans. We will provide this timely information at our chapter luncheon on 20 September. The past three luncheons have always been enlightening in providing us a unique observation on the legislative process and how current events shape action on the hill. Another issue we will bring up at our luncheon is a discussion on the purchase of a Chapter MOAA flag. Several chapters have purchased flags for their use and we would to see what you as members feel in regards to this endeavor. Col Regner is researching this issue and will provide us details as to cost and design.

Next month we are hoping to have Mr. Byron Morris return to finish his presentation on the Tuskegee Airman. If you missed his presentation this past year you missed a great personal history of his interaction with the original Tuskegee airman and their beginnings back in World War II. His original presentation was so in depth that he wasn't able to tell us everything \about their exploits and heroic actions during the war. So mark your calendars to hear from Mr. Morris.

Thanks for your time and I look forward to seeing you at our next luncheon on Saturday, 20 September 2014.

Sincerely,
Reggie
