PRESIDENT'S MESSAGE

Dear Members,
Our September luncheon was great with guest speaker Judge Jews talk enjoyed by all. Also, Erin Stone, National MOAA representative joined us and gave an update on MOAA National. Christmas is approaching rapidly, and it is time for our Chapter Annual Business meeting and luncheon including elections. Anyone interested in running for an office, please give me a call. Please join us on December 7th for a year-end summary along with a fun, festive holiday luncheon. And don't forget to bring a friend who could be a prospective member of our great chapter!

Important information for members-

This summer members of the MG Andy Anderson ESC of MOAA met with QAC Commission asking that a 20% property tax credit approved by the commissioners in 2018 for over 65 retired military personnel of all branches set to expire in 2024 be extended.

The commission led by commissioners Wilson & Moran unanimously approved Ordinance 23-04 that indefinitely extended the benefit to military retirees & was expanded to include "all veterans considered disabled by the Dept. of Veterans Affairs under 38 U.S.C. 1011 and in receipt of military compensation therefrom and shall include the surviving spouse." Qualified veterans over 65 are encouraged to contact QAC Treasury Supervisor Nancy Boone at the Office of Budget & Finance at 410-758-0414 ex. 2084 for additional information. Special thanks to MOAA Board members Clarke, Kent, & Jim for their efforts.
