

Monthly Meeting Announcement — Montgomery County Chapter

Our speaker for this month's event will be

Ms. Candace Wheeler

Director, Government and Legislative Affairs

Tragedy Assistance Program for Survivors (TAPS)

Her topic will be:

“A Briefing on TAPS”

It is sad to contemplate it, but the eventual need for an organization like TAPS is something that most families will face at an emotionally difficult time. Today's presentation is timely as a way to give us assurance that help is always available.
